

**The Sussex Director of Studies
Association is proud to present:**

Midweek English Language Teaching Sessions

Exploiting Technology in the classroom
By
Ice Obariase

If you would like interesting and interactive ideas on how to use websites in class, then this session will be of interest to you. We will look at various sites that you can use for class projects and activities, with websites that develop communication skills and help students develop lexical and grammatical knowledge. Please bring along your tablets and smartphones.

British Study Centres
47 Cromwell Road
6.30-8pm
Wednesday 28th June

This event is free but has limited space – places are accepted on a first come first served basis. Register at: james.openshaw@british-study.com
